

## Look Me in the Eye

By Aimee Elisabeth Bischoff  
From the album "Quad"

Look me in the eye  
I've got something to say

Look me in the eye  
I've got something I need to relay

(Chorus)  
Look me in the eye  
Before you go and try  
To lie again  
Deeds are done  
You've had your fun  
And now we're to the end-

Look me in the eye  
And tell me  
What do you feel?

Couldn't you even try-  
To show a little guilt?

(Chorus)

Look me in the eye  
And tell me-  
Couldn't you see?  
If I were really prized  
You wouldn't need to cheat-

(Chorus)

Now we're to the end-
